Region	Region from which the animal comes
Prod.	Identification of producer (animal)
B.Date	Date of birth
In.weight	Weight at start of performance test (kg)
In. age	Age at start of test (days)
Weight date	Weighing dates
Weight	Weight on different weighing dates (kg)
Age	Age at each weighing (days)
HH	hip height (cm)
BL	body length (cm)
CC	Chester circumference (cm)
SC	Scrotal circumference (cm)
REA	Rib eye area (cm ²)
